Maharaja of Bhavanagar,

Governor of Madras.

Your Excellency,

We the undersigned petitioners respectfully beg to submit as follows:

We were the residents of Kohat District in North Western Frontier Province. We fled from our District during the Hindu Muslim riots in 1947 and since then we are residing here as refugees.

We are all told about 40 people including women and children. We have left our homes, lands, shops etc, worth about a lakh and a half.

We have no means of livelihood here. Some of us about 6 are working as maistrees each of us getting about Rs.50/- per month. This is hardly sufficient to meet our necessaries of life. We have no houses to live in and now we are living in rented houses paying heavy rents. We are actually underfed. We are in need of help from the Government to enable us to live decently.

We have made several representations to the Ministers both at Madras and Delhi. Till now our grievances have not been heard.

We are suffering immensely due to unemployment. We request your Excellency to help us in our distress.

Hospet,

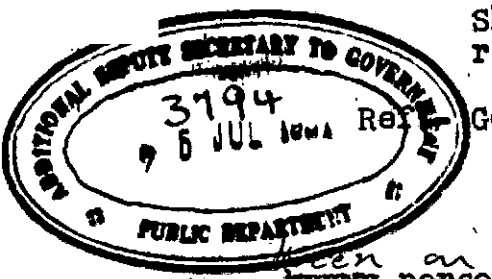
****



Out of the five displaced persons three are not ~~taken~~ seen on taking loans. The other two persons namely Hukumchand and Karamchand, are now getting on without state aid. I do not find exceptional grounds justifying the grant of loans to these persons.

Further action in the matter may be dropped.//
